OBJETIVOS

- Comprender el sentido, las partes e información de textos con un registro formal o neutro y vocabulario en su mayor parte frecuente.
- Escribir textos en un registro neutro o formal, utilizando adecuadamente los recursos de cohesión y las convenciones ortográficas y de puntuación esenciales. Estos textos se referirán principalmente al ámbito personal y público.
- Comprender el sentido general, los puntos principales e información de textos orales, bien estructurados, trasmítidos de viva voz o por medios técnicos (teléfono, televisión, megafonía, etc.), articulados a una velocidad normal, en un registro formal o neutro y siempre que las condiciones acústicas sean buenas y el mensaje no esté distorsionado. Estos textos versarán de temas habituales, preferentemente en los ámbitos personal o público.
- Producir textos orales, principalmente en comunicación cara a cara, pero también por teléfono u otros medios técnicos, en un registro neutro. Comunicarse de forma comprensible, aunque resulten evidentes el acento extranjero, las pausas y los titubeos y sea necesaria la repetición, la paráfrasis y la cooperación de los interlocutores para mantener la comunicación.
